

## Baronial letter of intent – Sir Nudd McPherson and Lady Emelyn Fraser

**Subject:** Baronial letter of intent

September 24, 2016

Unto Their Royal Majesties of Atenveldt, Craven and Elzbieta,

and their heirs, Morgan and Elizabeth,

do we, Sir Nudd McPherson and Lady Emelyn Fraser,  
humbly offer our services in the care and management of the Barony of Atenveldt.

As the end of the tenure of Their Excellencies, Seelos and Elena approaches, we are mindful of how much the barony needs nurturing and commitment, not just to survive, but to grow. To this end, we wish to request your consideration as future baron and baroness.

We believe this great endeavor begins as a vision. Once upon a time, the Barony of Atenveldt was home to the largest fighter practice in the known world. It managed this feat, even though other baronies enjoyed larger populations. It was successful because it was open and welcoming to all. There are many theories as to why the Society no longer attracts the number of participants it once did. All answers are merely speculation. What we do know, however, is that if we are to move forward, we must open our arms and our hearts to those who would join us and present ourselves to the community as trustworthy partners. Our members must see themselves as important contributors to the success of our group and feel appreciated for their efforts. As baron and baroness, we would encourage them to spread their wings and acknowledge them for their accomplishments. We would act as liaison between them and the Crown to ensure this.

Our experiences include marshaling at baronial, principality and kingdom levels, serving on courts at all levels, stewardship of events, and assisting with events under the supervision of other stewards. We feel that we have the support of many of the peers of the realm, both inside and outside of the barony. We have a history of positive working relationships with many current and past kingdom officers. Sir Nudd has been participating in the Barony of Atenveldt for approximately twenty-four years; Lady Emelyn for two. We fully understand the responsibilities associated with the positions and are committed to serving the Barony, if chosen, for three to four years.

We have many ideas as to how we can do this, some of which will be more successful than others. We know that to make any of them work, we need the support of the populace. We feel that if we remind the old-timers and teach the newcomers that the Barony of Atenveldt was the site of our Kingdom's birth, we can continue the efforts of our predecessors and reach for even greater heights. Each barony is a gem set into the crown that is Atenveldt. We would like the

opportunity to add to the sparkle of the gem that is our barony, our home. We ask that the people of the barony of Atenveldt have the opportunity to tell us all how they feel in the next polling. We request that you share our words with them in the baronial newsletter.

We offer our continued service,
