

Salve!

We hope that this missive finds all well and prosperous.

We are truly excited by all of the upcoming events this fall! In Our barony alone, we have Anniversary in September, Champions in October and Yule in December. The fine event stewards of each of these events are working diligently and with much creativity to provide what We are sure will prove to be fun and unique experiences.

Additionally, on October 5th, 2013, We will be travelling down to The Shire of Grandholme to attend Pillage, Plunder, Pluck & Poke. This is Our nearest shire's only annual event and We feel that it is important to help support this shire in its endeavors. Many of our wonderful populace members have agreed to assist in this event as well. If you'd like to help, please contact HE Elena.

On August 10th, We attended Kingdom A&S Competition. Dame Jennifer Trethewy proved herself quite the Event Steward as the artisans of our great kingdom competed to become the newest Kingdom A&S Champion. The Second Annual Deaton's prize tourney was held and Count Sir Morgan rose as victor receiving the beautiful gauntlets donated by Iron Pug Armory. Thank yous to all that helped with set-up, tear-down and clean-up of the site.

The weekend of August 17th-18th We were privileged to be able to get out of the heat of Our fair barony and travel north to the pines and Ered Sul for their event, Too Hot. The weather was perfect and the event had something for everyone. We witnessed Ered Sul proclaim their new champions and had an amazing time reveling with their populace and all that travelled to attend.

Our travels then took us to The March Barony of Mons Tonitrus for Mace & Greatsword the weekend of August 24th-25th. We particularly enjoy the site that this event is held with its trees and running stream. We witnessed the beautiful pageantry of the investing of Our newest cousins, Finnian and Brigit as they became the new Baron and Baroness of that fine barony. Once again, thank you to Lady Auelene for providing such beautiful gift baskets to be able to provide largesse for the newest Baron and Baroness of this Kingdom.

The Barony of Atenveldt is hosting the Baron & Baroness' dinner at next year's Estrella War. Lady Valdis and Tode Haulle have stepped up to coordinate and cook for this opportunity for our barony to shine. Fund raisers are in the works and will be announced shortly.

Now, on to more temperate weather.
