

Salve Populace of the Barony of Atenveldt!

Happy New Year!

It is our deepest hope that 2014 finds everyone in good health, great happiness and prosperity.

With the holidays occupying everyone's time, we find that we just did not have enough time to spend with Our chosen family during the month of December.

On December 7<sup>th</sup>, we had a magical time attending Barony of Atenveldt's Yule. HE Dalla and her team created such a wonderful, relaxed atmosphere that all who attended enjoyed the food, entertainment, a warm fire and the sense of the comfort of family.

A new year is upon us and Estrella War is not far off. Please remember to pre-register and contact our Land Stewards Lord Niklaus and Lady Thyri if you plan to camp with the barony.

Forever Inspired by the Populace of The Barony of Atenveldt
