

Greetings to The Barony of Atenveldt!

The month of February is upon us. That means the Estrella War is rapidly approaching. We can hardly believe that Our second Estrella as baron and baroness is almost here. We are extremely excited about all the goings on this year.

January was a month of camaraderie and new beginnings.

On the 4th, We attended The Kingdom of Atenveldt 12th Night Family Revel. Sir Nudd and his team hosted a wonderful event that was enjoyed by all. We joined together, as a chosen family, and celebrated the end of the winter holiday season. The venison was amazing as well as everything that folks brought for the potluck. We were even graced by bardic performances by the kingdom's youth.

On the very next day, We traversed to The Barony of Sundragon to attend the Central War Practice. What a lovely turnout. The weather was perfect and the soup kitchen was exceptional.

Saturday the 12th found us in The Barony of Tir Ysgithr for the Southern War Practice and baronial polling. Once again, the Atenveldt weather was perfect for a day in the park. The wonderful soup kitchen kept us all fed. We were proud of the turn out from Our barony. At the close of the day, it was announced the Master Simon and Mistress Magdalen will be the next baron and baroness of BTY. We look forward to working with Our new cousins.

On Saturday the 25th, HE Seelos and I had a wonderful time at the Northern War Practice. We were privileged to be able to witness the stepping down of Baron Brian and Baroness Natalia and the investiture of the second Coronets of The Barony of Granite Mountain, Jacob and Elizabeta. The day was brought to a crescendo as we partook of a wonderful feast and revelry.

Crown Tournament and Warlords is the first weekend in February and We will be there to witness who will become the next Crown of Atenveldt.

On February the 8th, an event near and dear to Our hearts, The Heroes of the Silent Angels, will be held at Sir Elias' residence. We are truly looking forward to the Stardust recharge that this event gives Us.

Then.... on to WAR!
