

Greeting to the Illustrious Populace of the Barony of Atenveldt!

The month of March found us incredibly busy with Her Excellencies elevation plans as well as multiple bouts with the plague. As it is with modern life sometimes, we found ourselves not travelling to attend events outside of Our barony. Be assured, this will not be a habit as there are so many things happening very soon.

We hope to see everyone at The Known World Drum and Dance Symposium the first weekend in April 1st through the 3rd. Not only will this event prove to be fun, but Her Excellency will be sitting vigil for her elevation to the Order of the Pelican.

The following weekend, the Barony of Atenveldt spring event, Metal and Glass Symposium will be held the 9th and 10th. Please read the Palm Prints further for details.

On April 27th, the spring Bi-Annual Hardsuit Novice Tourney will be held at fighter practice at Encanto Park. We look forward to these tournaments with joy. They are nothing less than awe inspiring.

We would like to remind everyone of the archery and thrown weapons practices. Both the archery and the thrown weapons community are full of amazing, talented people who love to share their martial art. For more information, check the Tome of Faces pages for each of these groups.

We continue to be in awe of the populace of this great barony and appreciate the privilege to continue to serve.

Forever In Service to the Dream,
Baron Seelos & Baroness Elena
15th Coronet of the Barony of Atenveldt
Premier Barony of the Society
