

Un Saluto alla Popolazione Meravigliosa della Baronia di Atenveldt!

Saturday, June 7th began the month with the stepping down of TRM Casca and Melissa. What an outstanding reign it was! We look forward to Duke Craven and Duchess Elzbieta's 6th reign.

On Saturday, May 14th, from 6:00 pm - 9:00 pm We attended the Barony of Atenveldt Thrown Weapons Practice. What great fun! This is always a relaxed time with people who just want to lob pointy things at targets. There was a wonderful attendance. We plan to attend as a barony again soon.

At fighter practice on Wednesday, May 25th the barony hosted the Rapier Novice and Youth Tournaments. What stardust! Her Excellency requested grand deaths from the youth and there was Shakespeare to be heard. The Rapier tournament was once again shanghaied by Her Excellency and the under three year combatants were made to use an over three year, off hand. There was much laughter, honor and chivalry.

We would like to remind everyone of the archery and thrown weapons practices. Both the archery and the thrown weapons community are full of amazing, talented people who love to share their martial art. For more information, check the Tome of Faces pages for each of these groups.

As the Aten Sun is so powerful that it lingers into the evening, please remember to keep yourself and remind others to keep hydrated at fighter practice.

We continue to be in awe of the populace of this great barony and appreciate the privilege to continue to serve.

Forever In Service to the Dream,
Baron Seelos & Baroness Elena
15th Coronet of the Barony of Atenveldt
Premier Barony of the Society
